1 October 1959

UNITED STATES INTELLIGENCE BOARD
COMMITTEE ON DOCUMENTATION

MEMORANDUM FOR: Committee on Documentation

SUBJECT: Subject Classification Schedules: Announcement of
New CIA Library Reference Aid

There are attached sample copies of a recent CIA Library publication

"Subject Headings and Classed Schedules for Law, Communism
and Communist Parties, and Intelligence and Security in
the CIA Library"

For reasons set forth in CODIB-D-32, 3 April 1959, the CIA Library now catalogs books according to the classification schedules of the Library of Congress System. As explained in its preface, this new reference aid presents schedules in certain subject fields which are of importance to intelligence but which have never been fully developed by the Library of Congress.

Sample copies should therefore be circulated to libraries throughout your departments with a note that retention copies will be supplied to those who may find the publication useful for cataloging or reference purposes.
